

# How to schedule pediatric sedation procedures

## **Sedated procedures include:**

MRI/MRA/MRV  
CT scan  
Arthrogram  
PICC line  
Thyroid biopsy  
Renal biopsy  
EGD  
Colonoscopy  
Liver biopsy  
Bone marrow aspiration  
Lumbar puncture  
Bone scan  
Radiation treatment  
Bronchoscopy  
Circumcision

## **To refer a patient for a sedation procedure:**

1. Complete the KCH Pediatric Sedation Request form.
2. Include a physician's order for the requested procedure.
3. Fax to **859-323-2768** or call the sedation coordinator at **859-257-5337**.

Note: The preferred methods of contact are listed above. However, if you do not get a response from the sedation team within a reasonable amount of time, you may page the sedation coordinator directly at **859-330-0048**.
